Remarks: The amount of litter on Lakeland Roads continues to climb! Even though we have added approximately 80 new homes to the City the amount of municipal garbage picked up remains down compared to last year. Yard waste collection continues to climb as expected with new homes being built in Lakeland. Recycling efforts remain steady with no increase in usage.
The City of Germantown recyles nearly 22 pounds of trash each day compared to Lakeland's 13 pounds
Our recycling rate participation is one out of every five homes.
