

Board of Commissioners

Meeting Cycle: March 2016

Subject: ORDINANCE – FIRST READING – amending Title 13, Chapter 1, Property Maintenance Regulations, Miscellaneous; establishing responsibility for right of way maintenance adjacent to private property.

Staff Contact: Jim Atkinson

STAFF RECOMMENDATION

Place this item on the regular meeting agenda for action on first reading.

BACKGROUND

The Municipal Code currently requires that property owners maintain certain portions of the right-of-way adjacent to their properties. Sidewalks, for example, are maintained by the adjacent property owner.

The proposed ordinance would extend the same requirements to trash, debris, and litter. This type of requirement would increase the amount of litter collected within neighborhoods, commercial districts, and in undeveloped areas.

The ordinance will be presented and discussed at the work session.
